

# THE truth ABOUT cosmetics

## Your Product's overall formulation:

### FACE PRIMER

Note	INCI	Origine	Detail
 ... 	<b>Propanediol</b>	chemical or vegetal	solvent See: propylene glycol
  	<b>Rosa Damascena</b>	plant	Skin-care ingredient, fragrance (damask rose)
  	<b>Hamamelis Virginiana</b>	plant	Active ingredient (witch hazel) Same evaluation for all INCI descriptions which begin with "Hamamelis Virginiana »
  	<b>Macadamia Integrifolia</b>	plant	Active ingredient, skin-care ingredient (macadamia nut)
  	<b>Simmondsia Chinensis</b>	plant-based	Skin-care ingredient (jojoba) Same evaluation for all INCI descriptions which begin with « Simmondsia Chinensis »
 	<b>C10-18 Triglycerides</b>	various sources	Skin conditioning
  	<b>Polyglyceryl-6 Distearate</b>	various sources	Emulsifying, surfactant
  	<b>Balanites aegyptiaca (Desert date) oil</b>	vegetal	Skincare, vegetal oil (date tree)
 	<b>Octyldodecyl Myristate</b>	various sources	Skin-care ingredient
  	<b>Adansonia Digitata</b>	plant-based	Active ingredient (baobab) Same evaluation for all INCI descriptions which begin with «Adansonia Digitata»
 ... 	<b>Pentylene Glycol</b>	chemical or plant-based	Moisturiser, solubiliser
  	<b>Lauroyl Lysine</b>	various sources	Stabiliser, powder base
 	<b>Undecane</b>	various sources	Skin conditioning
  	<b>Cetearyl Alcohol</b>	plant	Skin-care ingredient, stabiliser, thickener
  	<b>Microcrystalline Cellulose</b>	plant	Skin-care ingredient (anti aging)
	<b>Jojoba Esters</b>	plant	Skin-care ingredient (jojoba oil)

			
	<b>Tridecane</b>	chemical	Emollient
	<b>Mica</b>	mineral	Colourant
	<b>Polyglyceryl-3 Beeswax</b>	various sources	Emulsifier
	<b>Cetyl Alcohol</b>	plant	Skin-care ingredient, emulsion stabiliser
	<b>Terminalia Ferdinandiana (Kakadu Plum) Fruit Extract</b>	plant	Active ingredient (kakadu plum fruit extract)
	<b>Cellulose Gum</b>	plant	Additive, film former, stabiliser
	<b>Xanthan Gum</b>	plant	Excipient, gelling agent
	<b>Tocopherol</b>	diverse	Antioxidant (Vitamin E)
	<b>Zingiber Officinalis Oil</b>	plant	Active ingredient (ginger oil)
	<b>Benzyl Alcohol</b>	various sources	Preservative, solubiliser, fragrance
	<b>Sodium Phytate</b>	various sources	antimicrobial & preserving properties
	<b>Helianthus Annuus Seed Oil</b>	plant	Skin-care ingredient, active ingredient (sunflower oil)
	<b>Sodium Benzoate</b>	various sources	Preservative
	<b>Potassium Sorbate</b>	various sources	Preservative
	<b>Glycerin</b>	various sources	Active ingredient, solubiliser
	<b>Biosaccharide Gum-1, -2</b>	biotechnological	Thickening agent
	<b>Glyceryl Caprylate</b>	plant	Skin-care ingredient (fatty tissue)
	<b>Sodium Levulinate</b>	mineral	Natural salt, antimicrobial properties
	<b>Sodium Anisate</b>	various sources	Fragrance, antimicrobial
	<b>Alcohol</b>	plant	Solubiliser
	<b>Benzyl Cinnamate</b>	plant, chemical	Fragrance
	<b>Benzyl Salicylate</b>	plant, chemical	Fragrance
	<b>Citral</b>	various sources	Fragrance
	<b>Eugenol</b>	plant	Fragrance
	<b>Limonene</b>	plant	Fragrance
	<b>Linalool</b>	plant, chemical	Fragrance
